FILMOLUX PHOTO - NEW GENERATION

Premium-Protection Films for Indoor and Outdoor application

The durability of our Premium Protection Films is strongly related to the purpose and the application of the end user.

Neschen AG guarantees the durability as follows:

Media:	Indoor:	Outdoor: (with edge protection)	Outdoor: (without edge protection*)
filmolux® photo gloss	up to 8 years	up to 5 years	up to 2 year*
filmolux® photo satin	up to 8 years	up to 5 years	up to 2 year*
filmolux® photo matt	up to 8 years	up to 5 years	up to 2 year*

* Tests will be continued

Preconditions:

All materials of this quality certificate are designed and manufactured under ISO 9001:2008 by Neschen AG in Germany. The products are tested when applied in accordance with the technical bulletin. All tests conducted under controlled climatic conditions; 23/50-2, DIN 50014. Neschen AG provides its full support to the total replacement of the materials at no cost whenever a certain product failure occurs.

Complete details of the quality certificate are provided in the technical datasheets and instruction bulletins on the homepage: www.neschen.com.
