

Overview:

SV-FP220SA | Papergraphics Repositionable adhesive polyester fabric 167gsm

This repositionable self-adhesive textile is one of our most popular fabrics, giving professional-quality printing results along with easy-to-use characteristics. For starters, it's easy to apply thanks to a repositionable design, and can also be removed efficiently at the end of the print's lifetime. Add the fact that this fabric is water-resistant for short-term outdoor use and absolutely resists wrinkling, and you can see why our customers love using it.

- Flexible 100% polyester fabric
- Easy to install and remove
- PVC free
- Water resistant matt surface
- Great colour reproduction
- Rapid drying
- Durable coating eliminates cracking
- High definition results

Applications:

A durable short-term fabric for a large variety of display requirements such as exhibitions, retail and product promotions.

Compatibility:

This product has been tested for use with the following ink technologies;

Latex
