Dear Customer,

To your convenience, we have the pleasure to inform you that we have developed a new curved system: **Rainbow Plus**. It is an improved version of our Rainbow System and has the same applications to offer: **Wall-mounting, projecting and hanging system**. For your info: we will keep the existing line of Rainbow for at least 2 years, so you have the choice.

## Rainbow Plus System

RAINPLUS 238mm

Din A4

RAINPLUS 179mm
